HOSTELLERIE CHATEAU DE LA BARBINIERE

FRANCE | Western Loire
ST LAURENT SUR SEVRE (85290)
located near to PUY DU FOU

> Demeure de caractère (Disctinctive residence)

Built of tufa, the heritage stone of the Val de Loire, the Château de la Barbinière reflects the style of an English manor house. Located in either the chateau itself or one of its outbuildings, the contemporary rooms have their own special charm. All of them share a generous amount of space and top-quality standards of comfort. The chef adds his own special blend of aromas and spices to the timeless dishes of classic French cuisine and regularly updates the menu to reflect the changing seasons. The terrace next to the pool eases both body and mind, whilst the mills on the banks of the Sèvre and its tributaries provide the perfect excuse for a walk in the countryside.
